Quaker Partnership

• OatMeals appeal to Quaker
• Recipe Creation
• Online Content
Why Oats Are So HOT!!!

• Focus on healthy eating, dozens of proven health benefits of oats
• Simple, whole grain, no fuss
• Oats are inherently gluten-free
• Fast food chains caught on
• Psychologically we feel good about it
• Warm, hearty
• Budget friendly
• Reminds everyone of the comfort of home
• Easy to cook, portable
• Perfect blank canvas to get experimental with – like rice, risotto, or pasta - adapts to flavors easily and beautifully
Future For OatMeals

• Franchise Expansion with Fransmart™ beginning January 2016
  - Minimum of 100 stores over the next 10 years
  - Airports, college campuses, all major cities & downtown business areas
• The OatMeals Cookbook 2017
• Constant experimenting & listening to customer demands will lead to more signature bowls
• Menu Expansion – to include more proteins, heartier dinner savory options
• Packaged Products & Wholesale
• Online shop – OatMeals granola, apparel & cooking accessories
• Delivery & Catering Expansion
• Speaking Engagements & TV Opportunities
• Continuing Partnerships & Collaborations
Future of the Oatmeal Market

• Steel cut oats or oat groats to be featured in the pasta/rice isle at grocery stores and packaged as savory side dishes (RisOATtos)

• Savory oatmeal is appearing on more and more high end restaurant menus

• Cold oat salads will appear more and more like quinoa salads

• Savory oatmeal will eventually appear on fast food chain menus

• More and more people are getting excited about experimenting with oats, introducing children and young adults to savory oatmeal more and more, changing and solidifying the bright future of the oatmeal market.
